2 . Operating instruction

(1) How to add task

(2) How to delete the task

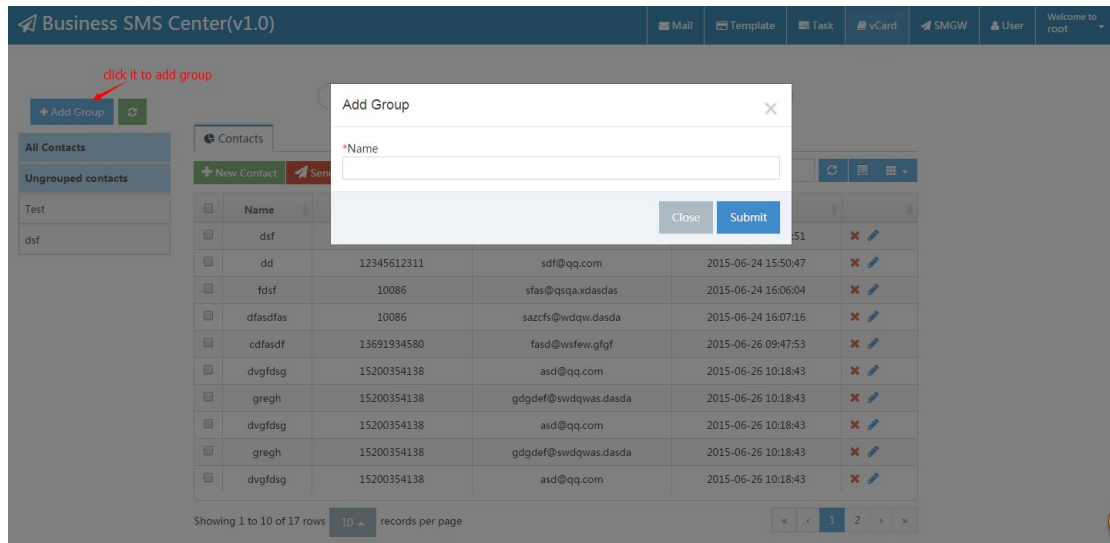

The screenshot shows the 'Business SMS Center(v1.0)' interface. On the left, a list of tasks is displayed under 'Successful sending'. Task 98 is selected, and a red arrow points to a small 'x' icon next to it with the text 'click to delete the task'. A modal dialog box is open in the center, asking 'Are you sure to delete the task?' with 'Cancel' and 'Confirm' buttons. The background shows a 'Task Status' section with a pie chart and various statistics.

(3) You can resend message from Numbers of Tasks

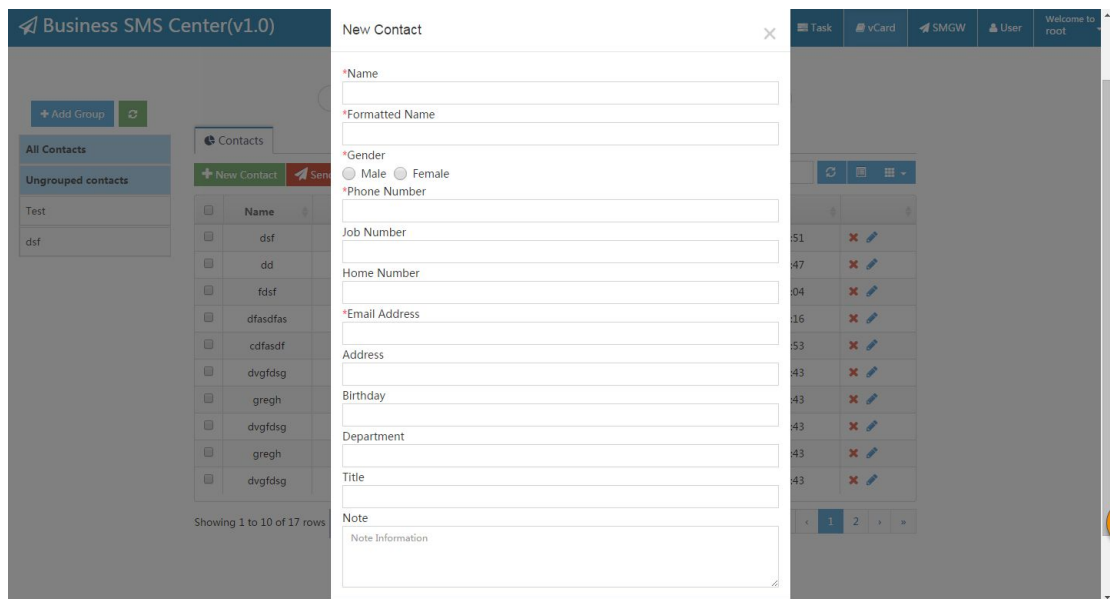

The screenshot shows the 'Business SMS Center(v1.0)' interface with the 'Numbers of Tasks' tab selected. A red arrow points to a 'Resend' button with the text 'click to resend message'. Below the button is a table listing tasks with columns for Number, Status, GW Name, Gateway Port, Counts of Failures, and Update Time. The table shows 19 rows of data. At the bottom, there is a pagination bar indicating 'Showing 1 to 10 of 19 rows' and '10 records per page'.
